Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School District Total Cohort Graduation Rate and Enrollment Outcome Summary - 2008-09 School Year by Race/Ethnicity

2005 Total Cohort as of June of the 4th year of school and as of August 2009,
2004 Total Cohort as of June of the 5th year of school,
2003 Total Cohort as of June of the 6th year of school.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

White	309	50%	2%	18%	0%	29%

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School District Total Cohort Graduation Rate and Enrollment Outcome Summary - 2008-09 School Year by Race/Ethnicity

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School District Total Cohort Graduation Rate and Enrollment Outcome Summary - 2008-09 School Year by Race/Ethnicity

2005 Total Cohort as of June of the 4th year of school and as of August 2009,
2004 Total Cohort as of June of the 5th year of school,
2003 Total Cohort as of June of the 6th year of school.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School District Total Cohort Graduation Rate and Enrollment Outcome Summary - 2008-09 School Year by Race/Ethnicity

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

White	44	70%	14%	0%	0%	16%

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

White	171	98%	0%	2%	0%	0%

Data presented in this report are based on data submitted by school districts to the data repository for the 2008-09 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the warehouse on July 31, 2009.
The federal Family Education Rights and Privacy Act prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.
