SUCCESS ACAD CS-UPPER WEST (SUNY TRUSTEES)Section Heading

Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate **'Total Expenditures per Child'** take total expenditures (from the unaudited 2017-18 Schedule of Functional Expenses) and divide by the year end FTE student enrollment. (Integers Only. No dollar signs or commas).

Note: The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html

Line 1: Total Expenditures	12172702
Line 2: Year End FTE student enrollment	677
Line 3: Divide Line 1 by Line 2	17968

2. Administrative Expenditures per Child

To calculate **'Administrative Expenditures per Child'** To calculate "Administrative Expenditures per Child" first *add* together the following:

1. Take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2017-18 Schedule of Functional Expenses)

2. Any contracted administrative/management fee paid to other organizations or corporations

3. Take the total from above and divide it by the year-end FTE enrollment. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officer, the finance or business offices, school operations personnel, data management and reporting, human resources, technology, etc. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation. Do not include the FTE of personnel whose role is to directly support the instructional program.

Notes:
The information on the Schedule of Functional Expenses on pages 41–43 of the Audit Guide can help schools locate the amounts to use in the two per pupil calculations: http://www.p12.nysed.gov/psc/AuditGuide.html.
Employee benefit costs or expenditures should not be reported in the above calculations.

Line 1: Relevant Personnel Services Cost (Row)	477129
Line 2: Management and General Cost (Column)	1629240
Line 3: Sum of Line 1 and Line 2	2106369
Line 5: Divide Line 3 by the Year End FTE student enrollment	3109

Recruitment/Attraction Efforts Toward Meeting Targets

	Describe Recruitment Efforts in 2017-18	Describe Recruitment Plans in 2018-19)
	Success Academy Charter Schools use robust outreach efforts to educate families about the option of applying to Success Academy schools. Each School's outreach goal is that every family within the School's Community School District ("CSD" or "in-district") knows about the School and its world-class educational program, so that the family can choose to apply. This level of outreach is critical to reaching typically underserved families within the community, including those targeted by the enrollment and retention targets. All Success Academy schools undertake numerous outreach activities to recruit applicants. Some of the activities that promote the Schools and recruit applicants include: • Mailings and distributions to residents of the School's CSD, • Mailings and distributions to residents in low-income in-district communities, • Mailings and distributions to residents in mixed-income in-district communities, • Targeted distribution of foreign-language materials to foreign-language-speaking individuals and communities within the CSD, as determined by each School,	Success Academy Charter Schools use robust outreach efforts to educate families about the option of applying to Success Academy schools. Success Academy's outreach process ensures enrollment of students who qualify for the federal Free and Reduced Price Lunch program ("FRPL"). Outreach to families who likely have FRPL-eligible children includes flyers and applications delivered to public housing apartment complexes, information sessions in community centers, and other strategies listed above. Each School offers a breakfast, snack (one or more times per day), and lunch program to all of its students free of charge. The Schools' leadership and staff also work hard to help ensure that challenges in the home do not impact student learning or prevent students from receiving a top-notch education. Charter schools may provide additional information in this section of the Annual Report about their respective teacher and administrator attrition rates as some teacher or administrator departures do not reflect advancement or movement within the charter school networks. Schools may provide additional detail to reflect a teacher's advancement up the ladder to a leadership position within the network or an administrator's movement to lead a new network charter school.

(No response)

4. Charter schools must ensure that all prospective employees receive clearance through the NYSED Office of School Personnel Review and Accountability (OSPRA) prior to employment. After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

Have all employees have been cleared through the NYSED TEACH system?

Yes

5. For perspective or current employees whose clearance has been denied, have you terminated their employment and removed them from the TEACH system?

	Not Applicable

Thank you
