

## **Section D**

# **CENTRAL SCHOOL DISTRICT**

January 24, 2012

Dear Ms.

The District has recently been notified that we qualify for Title IA funding for the 2009-2010 school year. In order to calculate if your agency will receive any of this allocation, we need to collect data to conduct a ranking in terms of poverty level. The information that we require from your agency is:

1. Total enrollment as of June 2009 by grade.
2. Number of students qualified for free or free and reduced price lunch eligibility during March-June 2009 by grade. This is the poverty measure being used by the District. The District information regarding qualification for free and reduced lunch is enclosed for your convenience.
3. The address of the students who qualify for free and reduced price lunch.

As soon as the data has been processed, we will forward you your Title IA allocation, if qualified.

Sincerely,

## Section D

Subject: Private School Participation Form

Hi Everyone,

Just to remind you that the Private School Participation Forms are due back to XXXXX at the end of next week. It is important that you answer #4 and delineate your program ideas and expenses. Your CEO must sign the last page. If you choose not to accept Federal monies, we would need a declination in writing. Have a restful summer!

Mary

1-24-12

Dear Mary

I am not going to participate in the Title I this year, because the amount of money is so minimal. Let someone else use this money if they are able.

Thanks.

Patti

Hi All!

The District needs to set a per child amount for Title I. We can only do so after your school has submitted the XXXX students who are eligible for free and reduced lunch. Please submit the names and addresses of these students as soon as possible, so that we can appropriately plan for our students in great need. Also, if you have students, other than XXX residents who qualify by income for free and/or reduced lunch, they are probably eligible for services from their home district.

As soon as we have the set aside amounts from NYSED, we will be setting up a brief meeting for allocation distribution. Thanks for your continued cooperation in this process.

Sincerely,

Mary
