

SCHOOL RECORD OF EXAMINATIONS REQUESTED: JUNE 2005

This form may be photocopied by the school and used in any of several ways:

- As a worksheet for preparing your school's request booklet for submission to the Department
- For circulation to department chairpersons, special education coordinators, and other school officials for reporting their examination needs to your school's central office on a subject-by-subject basis
- For distribution to other principals in your district when your school is requesting quantities of test booklets for use in other schools

Be sure to retain in your files the final version of this form — the one representing the completed request actually submitted to the Department. You will need to use that version for checking the confirmation notice that you will receive from the Department.

Do NOT return this form with your school's request booklet.
