Your signed permission below will allow these records to be used as part of the assessment. Any reproduction of your child's assessment records for training purposes by the State Education Department will require that all identifying information be removed.

I, (Parent/Family/Guardian's name) _____, grant permission for
_____ (Teacher's name) to take photographs, videotapes, and/or audiotapes
of my son/daughter as necessary for his/her NYSAA datafolio.

New York State Alternate Assessment (NYSAA)	PEERS
Informed Consent for Incidental Photographing and Video/Audiotape Recording of Classroom Peers	

To Parents/Family/Guardians:

Your child's teacher will be administering the New York State Alternate Assessment (NYSAA) to students in your child's classroom this year. We request your consent to have your child appear in photographs, videotapes and/or audiotapes in a limited way.

NYSAA requires teachers to collect student work and/or evidence of a student performing an assessment task through observation sheets, photographs, videotapes, or audiotapes. It may be necessary for your child's teacher to record the voice or image of the student who is being assessed during classroom activities with other students in the room. Therefore, there may be limited occasions when your child might appear in photographs, videotapes, or audiotapes that would be included in another student's datafolio. Please note that your child would not be identified by name.

Your signature below gives your permission for your child's teacher to take photographs, video- or audiotapes that may include your child in an indirect (incidental) manner for the purposes of developing another student's datafolio.
