

# **RFP # 23-008 OBEWL Arts Initiative: Literacy through Photography for English Language Learners (ELLs)**

## ***Questions and Answers Summary***

### **1. Where can we find the NYSED/OBEWL Graphic Organizer?**

Answer: We intend on creating these materials in cooperation with the vendor selected for the contract.

### **2. Are webinars intended to be synchronous or asynchronous?**

Answer: Currently the vision is to produce these webinars to be used asynchronously.

### **3. What are the security specifications around the student/teacher/parent website for the pilot?**

Answer: All security protocols used throughout the project should comply with NYSED security regulations. This will be discussed with NYSED's Privacy Office and chosen vendor and/or subcontractor. Please reference Appendix R starting on page 39 of RFP 23-008, that discusses Data Privacy and note that Exhibit 1 and Exhibit 2 must be completed by the vendor to be reviewed with the proposal.

### **4. In addition to the Arts standards and supporting guidance materials on the NYSED website, is there any previously developed New York photography curriculum or model photography curriculum we should reference for this proposal?**

Answer: There are no NYSED materials of this type as NYSED does not require any type of specific curriculum.
