Background

Federal funding to support the regional school bus driver safety training centers ended in the early 1990s. This was followed by the steady decline in state funding available for school bus driver safety training. Through an intense statewide campaign, conducted by safety training proponents, State funding for the School Bus Driver Safety Training Program, particularly the Professional Development Seminar (PDS), was reinstated in the 1997-1998 school year. Specific program components have been mandated in Education Law section 3650. With the assistance of the Commissioner's School Bus Driver Instructor Advisory Committee, and advice from state pupil transportation associations, a number of outstanding program components and curricula have been developed.

As a result of the continued funding of the program, NYSED has been able to offer twenty-five (25) years of excellent Professional Development Seminars (PDS) at no cost to the approximately 1,200 School Bus Driver Instructors certified by NYSED. When changes in Education Law (section 3624) and Commissioner's regulations (156.3) occurred, the scope of the overall training program and the annual refresher training along with the Professional Development Seminar (PDS) were expanded to include safety training instruction for school bus monitors and attendants, as well as nonpublic school bus drivers.

The PDS is the major tool for providing updated and continual training of School Bus Driver Instructors (SBDIs), who in turn provide required annual school bus safety refresher training to public and non-public school bus drivers, monitors and attendants.

New training materials are created every year consisting of three refresher topics and the professional development training for school bus driver instructors. Included in the PDS materials is the "School Bus Safety Is One Bus Stop At A Time" (SBSIOBSAAT) document. A data base vendor is responsible to create an analytical review of school bus crashes from the previous year in the SBSIOBSAAT. This document will be shared electronically with the PDS development and delivery vendor in time for printing as part of the PDS manual for SBDIs.

The instructors for the Professional Development Seminars are NYSED-certified Master Instructors (MIs). Master instructors are highly trained professional presenters and trainers who present state-mandated curriculum to School Bus Driver Instructors, who then teach that curriculum, using their honed skills, to drivers, monitors, and attendants. It is the school bus drivers, monitors, and attendants who teach children school bus safety as it pertains to entering, exiting, and riding on the bus.

NYSED reserves the right to restrict the use of any Master Instructor whose certification has lapsed or been revoked or suspended. Ideally, Master Instructors should have the opportunity to team teach with different Master Instructors from one year to the next. Master Instructors shall be offered the opportunity to rotate teaching locations and to teach with different colleagues from one year to the next. To accomplish this, some travel may be necessary.

The purpose of the PDS refresher content is to hone the presenting skills and professional development of SBDIs and supply all the technical and teaching materials necessary for them to conduct the three required annual training refreshers for all NYS school bus drivers, monitors, and attendants.

Each year, NYSED selects three topics to be the required topics for the three annual school bus driver, monitor and attendant refreshers (8 NYCRR 156.3). For example, in the 2019 PDS, the Refresher 1 topic was "Loading at the Bus Stop," the Refresher 2 topic was "Unloading at the Bus Stop" and Refresher 3 was "Loading and Unloading Students with Special Needs." For the 2020 PDS, the Refresher 1 topic was "Signals and Sights," the Refresher 2 topic was "Frame of Mind" and Refresher 3 was "Children with Special Needs." As presented in the Refresher 3 examples above, one of the topics each year must relate to "PJ's Law" as amended in Section 4402 of the New York State Education Law.

Another example of a refresher curriculum is an Anti-Idling Campaign. In the past, the vendor supplied instructional material concerning adverse effects of school bus idling on the health of drivers, pupils, and the general community. The vendor also supplied one-page instructional handouts for SBDIs to give to drivers, and an Anti-Idling Campaign logo that SBDIs could use to place on T-shirts and hats if they opted to use the campaign materials in their school district or company. The vendor would not supply the T-shirts or hats, just the ideas and an electronic logo. Another idea in the past was to design an Anti-Idling poster for the driver's room. A copy of the poster design was provided as part of the printed PDS manual and on the CD. Please note: this contract will cover the developmental cost of simple instructional ideas and design of thematic materials but will not pay for the cost of such items as buying T-shirts and hats and having them imprinted with a logo, etc.

Deliverables and/or Project Description

A. Specific Products & Services Being Sought

Pre-session assignments should be developed for distribution via download/email upon request to each SBDI scheduled to attend the PDS.

Beginning with the 2025 PDS, SBDIs will receive professional development in different teaching techniques by their MIs and be provided opportunities to practice them throughout the remainder of the seminar. It is anticipated that part of the seven (7) hour day will be utilized having SBDIs demonstrate these techniques. During the remaining seminar time, the MIs will be modeling techniques and providing instruction to the SBDIs on lesson planning, teaching and communication techniques, team building, etc.

M/WBE and Equal Employment Opportunities Requirements: Contractor Requirements and Obligations under New York State Executive Law, Article 15-A (Participation by Minority Group Members and Women with Respect to State Contracts)

In an effort to eradicate barriers that have historically impeded access by minority group members and women in State contracting activities, Article 15-A, of the New York State Executive Law §310-318, (Participation By Minority Group Members and Women With Respect To State Contracts) was enacted to promote equality of economic opportunities for minority group members and women.

The New York State Education Department (“NYSED”) has enacted its policies Equal Opportunity, Non-Discrimination and Affirmative Action and on Minority and Women-Owned Business Enterprise Procurements consistent with the requirements as set forth under the provisions of Article 15-A (the “Article”) incorporated by reference, requiring Contracting Agencies to implement procedures to ensure that the “Contractor” (as defined under Article 15-A, §310.3 shall mean an individual, a business enterprise, including a sole proprietorship, a partnership, a corporation, a not-for-profit corporation, or

any other party to a state contract, or a bidder in conjunction with the award of a state contract or a proposed party to a state contract, complies with requirements to ensure Equal Employment Opportunities for Minority Group Members and Women, in addition to providing Opportunities for Minority and Women-Owned Business Enterprises on all covered state contracts.

In keeping with the intent of the Law, it is the expectation of the Commissioner and the responsibility of all contractors participating in and/or selected for procurement opportunities with NYSED, to fulfill their obligations to comply with the requirements of the Article and its implementing regulations.

In accordance with these requirements, the contractor hereby agrees to make every good faith effort to promote and assist the participation of certified Minority and Women-Owned Business Enterprises (“M/WBE”) as subcontractors and suppliers on this project for the provision of services and materials in an amount at least equal to the M/WBE goal (Included in the procurement document) as a percentage of the total dollar value of this project. In addition, the contractor shall ensure the following:

1. All state contracts and all documents soliciting bids or proposals for state contracts contain or make reference to the following provisions:

a. The contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability, marital status, gender, religion, veteran status, sexual orientation, genetic disposition or carrier status and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination.

For purposes of the Article, affirmative action shall mean recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff or termination and rate of pay or other forms of compensation.

b. The contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, marital status, gender, religion, veteran status, sexual orientation, genetic disposition or carrier status and that such union or representative will affirmatively cooperate in the implementation of the contractor’s obligation herein.

c. The contractor shall state in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability, marital status, gender, religion, veteran status, sexual orientation, genetic disposition or carrier status.

2. The contractor will include the provisions of subdivision one of this section in every subcontract as defined under §310.14, except as provided under §312.6 of the Article, in such a manner that the provisions will be binding upon each subcontractor as to work in connection with the State contract.

3. Contractors or subcontractors shall comply with the requirements of any federal law concerning equal employment opportunity, which effectuates the purpose of this section.

4. Contractors and subcontractors shall undertake programs of affirmative action and equal employment opportunity as required by this section¹. In accordance with the provision of the Article, the bidder will submit, with their proposal, Staffing Plan (EEO 100).

6. Contractor shall make a good faith effort to solicit active participation by enterprises identified in the [Empire State Development \(“ESD”\) directory of certified businesses](#). The contractor must document its good faith efforts as set forth in 5 NYCRR 142.8. This document, Contractors Good Faith Efforts, can be found in the M/WBE Submission Documents.
7. Contractor shall agree, as a condition of entering into said contract, to be bound by the provisions of Article 15-A, §316.
8. Contractor shall include the provisions set forth in paragraphs (6) and (7) above in every subcontract in a manner that the provisions will be binding upon each subcontractor as to work in connection with this contract.
9. Contractor shall comply with the requirements of any federal law concerning opportunities for M/WBEs that effectuates the purpose of this section.
10. Contractor shall submit all necessary M/WBE documents and/or forms as described above as part of their proposal in response to NYSED procurement.
11. The percentage goals established for this RFP are based on the overall availability of M/WBEs certified in the particular areas of expertise identified under this RFP. These goals should not be construed as rigid and inflexible quotas that must be met, but as targets reasonably attainable by means of applying every good faith effort to make all aspects of the entire Minority and Women-Owned Business Program work.
12. Contractor shall ensure that enterprises have been identified (M/WBE 102) within the Utilization Plan, and the contractor shall attempt, in good faith, to utilize such enterprise(s) at least to the extent indicated in the plan, as to what measures and procedures contractor intends to take to comply with the provisions of the Article.
13. Upon written notification from NYSED M/WBE Program Unit as to any deficiencies and required remedies thereof, the contractor shall, within the period of time specified, submit compliance reports

14. Where it appears that a contractor cannot, after a good faith effort, comply with the M/WBE participation requirements, contractor may file a written application with NYSED M/WBE Program Unit requesting a partial or total waiver (M/WBE 101) of such requirements setting forth the reasons for such contractor's inability to meet any or all of the participation requirements, together with an explanation of the efforts undertaken by the contractor to obtain the required M/WBE participation.

For purposes of determining a contractor's good faith efforts to comply with the requirements of this section or be entitled to a waiver, NYSED shall consider at the least the following:

I. Whether the contractor has advertised in general circulation media, trade association publications and minority-focused and women-focused media and, in such event;

a. Whether or not the certified M/WBEs which have been solicited by the contractor exhibited interest in submitting proposals for a particular project by attending a pre-bid conference; and

b. Whether certified businesses solicited by the contractor responded in a timely fashion to the contractor's solicitations for timely competitive bid quotations prior to the contracting agency's deadline for submission of proposals.

II. Whether there has been written notification to appropriate certified M/WBEs that appear in the [Empire State Development website](#).

All required Affirmative Action, EEO, and M/WBE forms to be submitted along with bids and/or proposals for NYSED procurements are attached hereto. Bidders must submit subcontracting forms that:

2) partially comply with the participation goals specified in the RFP, and include a request for partial waiver, and document their good faith efforts to fully comply with the percentage goals specified in the RFP; OR

3) do not include certified M/WBE subcontractors or suppliers, and include a request for a complete waiver, and document their good faith efforts to fully comply with the participation goals specified in the RFP.

All M/WBE firms are required to be certified by Empire State Development (ESD). Online Certification can be found at the [New York State Contract System website](#).

Failure to comply with the requirements of Article 15-A as set forth under this procurement and in conjunction with the corresponding contract, will result in the withholding of associated funds and other enforcement proceedings set forth under Article 15-A.

2.) Submission

This section details the submission document or documents that are expected to be transmitted by the respondent to the State Education Department in response to this RFP. New York State Education Department shall own all materials, processes, and products (software, code, documentation and other written materials) developed under this contract. Materials prepared under this contract shall be in a form that will be ready for copyright in the name of the New York State Education Department. Any sub-contractor is also bound by these terms. The submission will become the basis on which NYSED will judge the respondent's ability to perform the required services as laid out in the RFP. This will be followed by various terms and conditions that reflect the specific needs of this project.

Project Submission:

The proposal submitted in response to this RFP must include the following documents submitted by email to CAU@nysed.gov in Microsoft Office or editable PDF per the electronic proposal submission procedures outlined above, preferably with each of the following sets of documents attached as a single file, (i.e., one email with four attachments):

1. Submission Documents bearing signatures
2. Technical Proposal
3. Cost Proposal
4. M/WBE Documents bearing signatures

The proposal must be received by **April 4, 2024**, at CAU@nysed.gov.

Proposals should be prepared simply and economically, avoiding the use of elaborate promotional materials beyond those sufficient to provide complete presentation. If supplemental materials are a necessary part of the proposal, the bidder should reference these materials in the technical proposal, identifying the document(s) and citing the appropriate section and page(s) to be reviewed.

The proposal must communicate an understanding of the deliverables of the RFP, describe how the tasks are to be performed and identify potential problems in the conduct of the deliverables and methods to identify and solve such problems.

Bidders should specify all details and dates required to evaluate the technical proposal and should limit aspects of the project plan which are to be determined only after the award of a contract. No optional deliverables to be provided only at an additional cost should be included and will not be considered in the evaluation of the technical proposal. Contractual terms, conditions and assumptions are inappropriate for inclusion in the proposal.

Any proprietary material considered confidential by the bidder will specifically be so identified, and the basis for such confidentiality will be specifically set forth in the proposal by submitting the form "Request for Exemption from Disclosure Pursuant to the Freedom of Information Law," located in 5) Submission Documents.

The proposal will be based on a total possible score of one hundred (100) points.

Technical Proposal

(60 Points)

The completed Technical Proposal should be labeled **[Name of Bidder] Technical Proposal – RFP #24-012** and include the following:

- Narrative Description as described below
- Resumes

Narrative Description (60 Points)

The narrative description will consist of four parts. In the first part, the applicant will present an agenda with timetable of an MI Strategy Session and PDS. In the second part, the applicant will present an outline of the proposed curriculum. In the third part, the applicant will present two sample lesson plans. In the fourth part, the applicant will present information concerning the administrative structure of the applicant agency and staff/consultants who will develop the curriculum, deliver the curriculum, and administer the contract.

Relative to the delivery part of the RFP, it details the specific services being sought that are an integral part of the School Bus Driver Instructor Professional Development Seminar Training Delivery. Information and estimates were provided in order to give bidders an idea of the number of classes and types of training materials that the vendor would prepare and deliver. **NYSED is seeking a cost-effective, innovative approach to the administration, scheduling and delivery of the PDS classes.**

A.) Sample Agenda (10 Points)

The purpose of the MI Strategy Session content is to supply the Master Instructors with professional development topics along with all the technical and teaching materials necessary for an SBDI to conduct the three required annual training refreshers for all NYS school bus drivers, monitors and attendants. The structure of the MI Session must include the aforementioned items in a proposed sample agenda.

The length of each Professional Development Seminar will be at least seven (7) hours in duration including one hour for lunch and two 15-minute breaks. Bidders should plan for 5.5 hours of curriculum/content the MIs will present at the PDS. SBDIs will receive instruction on professional development topics and different teaching techniques by their MIs and be provided opportunities to practice them throughout the remainder of the seminar. It is anticipated that part of the seven (7) hour seminar day will be utilized having SBDIs demonstrate these techniques. During the remaining seminar time, the MIs will be modeling techniques and providing instruction to the SBDIs on lesson planning, teaching and communication techniques, team building, etc. The bidder must provide a sample agenda of the PDS with breakdown of times for each section.

B.) Outline of proposed curriculum (10 Points)

Respondents should discuss how they will approach training SBDIs to become better presenters, mentors, and behind-the-wheel instructors. Respondents should present an outline of strategies they feel will be most effective, including ideas for “hands-on training.” The information provided will be used to rate the quality of the proposed curriculum.

C.) Two sample lesson plans (10 Points)

- First required lesson plan: Develop and write a sample lesson plan for a ten (10) minute lesson to be given to school bus drivers by an SBDI on safe unloading procedures, centering on how to safeguard the disembarking student from a right-side passing motorist who fails to stop for a stopped school bus.

Include any driver handouts or presentations developed to assist School Bus Driver Instructors with their ten (10) minute lesson to school bus drivers, monitors and attendants. In your lesson plan, you should include all the items requested that were listed in the section on page 8 of this RFP under the bullet that begins with, “The PDS materials for SBDIs should include...” There are nine (9) bulleted items listed beginning with “Introduction” and ending with “Refresher topic learning assessments”. Please do not develop or submit any material for “Evaluation Forms”, and only prepare one lesson plan (for the SBDI to give to school bus drivers, monitors and attendants).

- Second required lesson plan: Develop and write a sample lesson plan for a ten (10) minute lesson to be given to the School Bus Driver Instructors by Master Instructors on a specific teaching technique of your choice.

Include any handouts and PowerPoint presentation developed to assist the MIs with their ten (10) minute lesson. In your lesson plan, you should include all the items requested that were listed in the materials list on page 8 of this RFP (as stated in the previous bullet).

D.) Administrative structure (20 Points)

Administrative Structure of the Delivery of the Curriculum (10 Points)

- Describe how staff will be available by telephone, e-mail and/or website to answer questions or inquiries from School Bus Driver Instructors and Master Instructors concerning Professional Development Seminar classes, scheduling, and hardship applications.
- Discuss issues of supervision and monitoring of Master Instructor (MI) performance. Describe how the MI performing the observation of the PDS for MI compliance with teaching the PDS curriculum will be structured? What backup resources or plans are available if an MI is unavailable to teach a scheduled class?
- Describe the system or plan in detail that you will employ to communicate with SBDIs concerning future and current course offerings, pre-session assignments, registration, and course completion. Will you use a website or have online registration capability?

3.) Evaluation Criteria and Method of Award

This section begins with the criteria the agency will use to evaluate bids, and closes with the “method of award” or how the contractor will be selected. This will be followed by various terms and conditions that reflect the specific needs of this project as well as New York State contract guidelines and requirements.

Criteria for Evaluating Bids

All eligible proposals received by the deadline will be reviewed using the following criteria and ratings. Bidders must ensure that all components of this application request have been addressed, the required number of copies has been provided, all forms and assurances have been completed, and the original signatures in blue are included as required.

An evaluation committee will complete a review of all proposals submitted. The committee will review each proposal based upon the submitted proposal and the requirements of the RFP only. Bidders should not assume that committee review members will be familiar with the current program or have any previous experience with the bidder. Appropriate description should be included to inform review committee members about the bidder’s qualifications and capacity to perform all required deliverables.

The committee will review each proposal to determine compliance with the requirements described in the RFP. The committee retains the right to determine whether any deviation from the requirements of this RFP is substantial in nature and may reject in whole or in part any and all proposals, waive minor irregularities and conduct discussions with all responsible bidders.

The proposal will be scored on a total possible score of one hundred (100) points.

Technical Criteria

(60 Points)

A.) Quality of agenda and timetable for MI Strategy Session and PDS **(10 Points)**

B.) Outline of proposed curriculum **(10 points)**

C.) Quality of two sample lesson plans **(10 Points)**

D.) Administrative structure **(20 Points)**

Development of the curriculum (10 Points)

Delivery of the curriculum (10 Points)

E.) Vendor’s history and experience with oversight and administration **(10 Points)**

Financial Criteria

(40 Points)

The Financial Criteria portion of the RFP will be scored based upon the grand total of the five-year project budget.

The respondent should develop a budget that details the anticipated cost of developing and delivering the training curriculum. Included in the budget should be the expenses related to the annual deliverables.

- The **financial portion** of the proposal represents forty (40) points of the overall score and will be awarded up to forty (40) points pursuant to a formula. This calculation will be computed by the Contract Administration Unit upon completion of the technical scoring by the technical review panel.
- The submitted budget will be awarded points pursuant to a formula which awards the highest score of forty (40) points to the budget that reflects the lowest overall cost. The remaining budgets will be awarded points based on a calculation that computes the relative difference of each proposal against the lowest budget submitted. The resulting percentage is then applied to the maximum point value of forty (40) points.
- **NYSED reserves the right to request best and final offers. In the event NYSED exercises this right, all responsive bidders will be asked to provide a best and final offer. The Contract Administration Unit will recalculate the financial score.**

Method of Award

The aggregate score of all the criteria listed will be calculated for each proposal received.

The contract issued pursuant to this proposal will be awarded to the vendor whose aggregate technical and cost score is the highest among all the proposals rated. **If NYSED exercises the right to request best and final offers, the contract must be issued to the vendor with the highest aggregate technical and financial score that results from the best and final offer.**

In the event that more than one proposal obtains the highest aggregate score, the contract will be awarded to the vendor in that group of highest aggregate scores whose budget component reflects the lowest overall cost.

NYSED's Reservation of Rights

NYSED reserves the right to: (1) reject any or all proposals received in response to the RFP; (2) withdraw the RFP at any time, at the agency's sole discretion; (3) make an award under the RFP in whole or in part; (4) disqualify any bidder whose conduct and/or proposal fails to conform to the requirements of the RFP; (5) seek clarifications of proposals; (6) use proposal information obtained through site visits, management interviews and the state's investigation of a bidder's qualifications, experience, ability or financial standing, and any material or information submitted by the bidder in response to the agency's request for clarifying information in the course of evaluation and/or selection under the RFP; (7) prior to the bid opening, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available; (8) prior to the bid opening, direct bidders to submit proposal modifications addressing subsequent RFP amendments; (9) change any of the scheduled dates; (10) waive any requirements that are not material; (11) negotiate with the successful bidder within the scope of the RFP in the best interests of the state; (12) conduct contract negotiations with the next responsible bidder, should the agency be unsuccessful in negotiating with the selected bidder; (13) utilize any and all ideas submitted in the proposals received; (14) unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 90 days from the bid opening; (15) require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of an offerer's proposal and/or to determine an offerer's compliance with the requirements of the solicitation; (16) request best and final offers.

Post Selection Procedures

Upon selection, the successful bidder will receive a proposed contract from NYSED. The selected bidder may be given an opportunity to reduce its cost proposal in accordance with the agency's right to negotiate a final best price. The contents of this RFP, any subsequent correspondence during the proposal evaluation period, and such other stipulations as agreed upon may be made a part of the final contract prepared by NYSED. Successful bidders may be subject to audit and should ensure that adequate controls are in place to document the allowable activities and expenditure of State funds.

Debriefing Procedures

In accordance with section 163 of the NY State Finance Law, NYSED, upon request, must provide a debriefing to any unsuccessful bidder regarding the reasons their proposal was not selected for an award.

1. All unsuccessful bidders may request a debriefing within fifteen (15) calendar days of receiving notice from NYSED of non-award. Bidders may request a debriefing by submitting a written request to the Fiscal Contact person at PTUTrainingRFP2024@nysed.gov.
2. Upon receipt of a timely written request from the unsuccessful bidder, NYSED will schedule the debriefing to occur within a reasonable time following receipt of the request. Debriefings will be conducted in person, unless NYSED and the bidder mutually agree to utilize other means, including but not limited to telephone, video-conferencing or other types of electronic communication.
3. The debriefing will include: a) the reasons that the proposal submitted by the unsuccessful bidder was not selected for an award; b) the qualitative and quantitative analysis employed by NYSED in assessing the relative merits of the proposals; c) the application of the selection criteria to the unsuccessful bidder's proposal; and d) when the debriefing is held after the final award, the reasons for the selection of the winning proposal. The debriefing will also provide, to the greatest extent practicable, general advice and guidance to the unsuccessful bidder concerning potential ways that their future proposals could be more responsive.

Contract Award Protest Procedures

Bidders who receive a notice of non-award or disqualification may protest the NYSED award decision subject to the following:

1. The protest must be in writing and must contain specific factual and/or legal allegations setting forth the basis on which the protesting party challenges the contract award by NYSED.
2. The protest must be filed within ten (10) business days of receipt of a debriefing or disqualification letter. The protest letter must be submitted to PTUTrainingRFP2024@nysed.gov attention Thomas McBride.
3. The NYSED Contract Administration Unit (CAU) will convene a review team that will include at least one staff member from each of NYSED's Office of Counsel, CAU, and the Program Office. The review team will review and consider the merits of the protest and will decide whether the protest is approved or denied. Counsel's Office will provide the bidder with written notification of the review team's decision within ten (10) business days of the receipt of the protest. The original protest and decision will be filed with OSC when the contract procurement record is submitted for approval and CAU will advise OSC that a protest was filed.

4. The NYSED Contract Administration Unit (CAU) may summarily deny a protest that fails to contain specific factual or legal allegations, or where the protest only raises issues of law that have already been decided by the courts.

Vendor Responsibility

State law requires that the award of state contracts be made to responsible vendors. Before an award is made to a not-for-profit entity, a for-profit entity, a private college or university or a public entity not exempted by the Office of the State Comptroller, NYSED must make an affirmative responsibility determination. The factors to be considered include: legal authority to do business in New York State; integrity; capacity- both organizational and financial; and previous performance. Before an award of \$100,000 or greater can be made to a covered entity, the entity will be required to complete and submit a [Vendor Responsibility Questionnaire](#). School districts, Charter Schools, BOCES, public colleges and universities, public libraries, and the Research Foundation for SUNY and CUNY are some of the exempt entities. A complete list of exempt entities can be viewed at the [Office of the State Comptroller's website](#).

NYSED recommends that vendors file the required Vendor Responsibility Questionnaire online via the New York State VendRep System. To enroll in and use the New York State VendRep System, see the [VendRep System Instructions](#) or go directly to the [VendRep System on the Office of the State Comptroller's website](#).

Vendors must provide their New York State Vendor Identification Number when enrolling. To request assignment of a Vendor ID or for VendRep System assistance, contact the Office of the State Comptroller's Help Desk at 866-370-4672 or 518-408-4672 or by email at ITServiceDesk@osc.state.ny.us.

Vendors opting to complete and submit a paper questionnaire can obtain the appropriate questionnaire from the [VendRep website](#) or may contact NYSED or the Office of the State Comptroller's Help Desk for a copy of the paper form.

Subcontractors:

For vendors using subcontractors, a Vendor Responsibility Questionnaire and a NYSED vendor responsibility review are required for a subcontractor where:

- the subcontractor is known at the time of the contract award;
- the subcontractor is not an entity that is exempt from reporting by OSC; and
- the subcontract will equal or exceed \$100,000 over the life of the contract.

Note: Bidders must acknowledge their method of filing their questionnaire by checking the appropriate box on the Response Sheet for Bids (5. Submission Documents).

PROCUREMENT LOBBYING LAW

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between the New York State Education Department ("NYSED") and an

Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of the solicitation through final award and approval of the Procurement Contract by NYSED and, if applicable, Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). Designated staff, as of the date hereof, is identified below. NYSED employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four year period, the Offerer/bidder is debarred from obtaining governmental Procurement Contracts. Further information about these requirements can be found at [NYSED's Procurement Lobbying Law Policy Guidelines webpage](#).

Consultant Disclosure Legislation

Effective June 19, 2006, new reporting requirements became effective for State contractors, as the result of an amendment to State Finance Law §§ 8 and 163. As a result of these changes in law, State contractors will be required to disclose, by employment category, the number of persons employed to provide services under a contract for consulting services, the number of hours worked and the amount paid to the contractor by the State as compensation for work performed by these employees. This will include information on any persons working under any subcontracts with the State contractor.

Chapter 10 of the Laws of 2006 expands the definition of contracts for consulting services to include any contract entered into by a State agency for analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal, or similar services.

To enable compliance with the law, State agencies must include in the Procurement Record submitted to OSC for new consultant contracts, the State Consultant Services Contractor’s Planned Employment from Contract Start Date Through the End of the Contract Term (Form A). The completed form must include information for all employees providing service under the contract whether employed by the contractor or a subcontractor. Please note that the form captures the necessary planned employment information ***prospectively from the start date of the contract through the end of the contract term.***

[Form A](#) is available on OSC’s website.

Please note that although this form is not required as part of the bid submission, NYSED encourages bidders to include it in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the form listed above is acceptable.

Chapter 10 of the Laws of 2006 mandates that State agencies must now require State contractors to **report annually** on the employment information described above, including work performed by subcontractors. The legislation mandates that the annual employment reports are to be submitted by the contractor to the contracting agency, to OSC and to the Department of Civil Service. State

Consultant Services Contractor's Annual Employment Report (Form B) is to be used to report the information for all procurement contracts above \$15,000. Please note that, in contrast to the information to be included on Form A, which is a one-time report of planned employment data for the entire term of a consulting contract on a projected basis, **Form B will be submitted each year the contract is in effect and will capture historical information, detailing actual employment data for the most recently concluded State fiscal year (April 1 – March 31).**

[Form B](#) is available on OSC's website.

Workers' Compensation Coverage and Debarment

New York State Workers' Compensation Law (WCL) has specific coverage requirements for businesses contracting with New York State and additional requirements which provide for the debarment of vendors that violate certain sections of WCL. The WCL requires, and has required since introduction of the law in 1922, the heads of all municipal and State entities to ensure that businesses have appropriate workers' compensation and disability benefits insurance coverage *prior* to issuing any permits or licenses, or *prior* to entering into contracts.

Workers' compensation requirements are covered by WCL Section 57, while disability benefits are covered by WCL Section 220(8). The Workers' Compensation Benefits clause in Appendix A – STANDARD CLAUSES FOR NEW YORK STATE CONTRACTS states that in accordance with Section 142 of the State Finance Law, a contract shall be void and of no force and effect unless the contractor provides and maintains coverage during the life of the contract for the benefit of such employees as are required to be covered by the provisions of the WCL.

Under provisions of the 2007 Workers' Compensation Reform Legislation (WCL Section 141-b), any person, or entity substantially owned by that person: subject to a final assessment of civil fines or penalties, subject to a stop-work order, or convicted of a misdemeanor for violation of Workers' Compensation laws Section 52 or 131, is barred from bidding on, or being awarded, any public work contract or subcontract with the State, any municipal corporation or public body for one year for each violation. The ban is five years for each felony conviction.

PROOF OF COVERAGE REQUIREMENTS

The Workers' Compensation Board has developed several forms to assist State contracting entities in ensuring that businesses have the appropriate workers' compensation and disability insurance coverage as required by Sections 57 and 220(8) of the WCL.

Please note – an ACORD form is not acceptable proof of New York State workers' compensation or disability benefits insurance coverage.

Proof of Workers' Compensation Coverage

To comply with coverage provisions of the WCL, the Workers' Compensation Board requires that a business seeking to enter into a State contract submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate workers' compensation insurance coverage:

- **Form C-105.2** – Certificate of Workers' Compensation Insurance issued by private insurance carriers, or **Form U-26.3** issued by the State Insurance Fund; or

- **Form SI-12**– Certificate of Workers’ Compensation Self-Insurance; or **Form GSI-105.2** Certificate of Participation in Workers’ Compensation Group Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from NYS Workers’ Compensation and/or Disability Benefits Coverage.

Proof of Disability Benefits Coverage

To comply with coverage provisions of the WCL regarding disability benefits, the Workers’ Compensation Board requires that a business seeking to enter into a State contract must submit appropriate proof of coverage to the State contracting entity issuing the contract. For each new contract or contract renewal, the contracting entity must obtain ONE of the following forms from the contractor and submit to OSC to prove the contractor has appropriate disability benefits insurance coverage:

- **Form DB-120.1** - Certificate of Disability Benefits Insurance; or
- **Form DB-155**- Certificate of Disability Benefits Self-Insurance; or
- **CE-200**– Certificate of Attestation of Exemption from New York State Workers’ Compensation and/or Disability Benefits Coverage.

For additional information regarding workers’ compensation and disability benefits requirements, please refer to the [New York State Workers’ Compensation Board website](#). Alternatively, questions relating to either workers’ compensation or disability benefits coverage should be directed to the NYS Workers’ Compensation Board, Bureau of Compliance at (518) 486-6307.

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them in their bid submission to expedite contract execution if the bidder is awarded the contract. Note also that only the forms listed above are acceptable.

Sales and Compensating Use Tax Certification (Tax Law, § 5-a)

Tax Law § 5-a requires contractors awarded State contracts for commodities or services valued at more than \$100,000 over the full term of the contract to certify to the New York State Department of Taxation and Finance (“DTF”) that they are registered to collect New York State and local sales and compensating use taxes, if they made sales delivered by any means to locations within New York State of tangible personal property or taxable services having a cumulative value in excess of \$300,000, measured over a specific period of time. The registration requirement applies if the contractor made a cumulative total of more than \$300,000 in sales during the four completed sales tax quarters which immediately precede the sales tax quarter in which the certification is made. Sales tax quarters are June – August, September – November, December – February, and March – May. In addition, contractors must certify to DTF that each affiliate and subcontractor of such contractor exceeding such sales threshold during a specified period is registered to collect New York State and local sales and compensating use taxes. Contractors must also certify to the procuring State entity that they filed the certification with the DTF and that it is correct and complete.

The selected bidder must file a properly completed Form ST-220-CA (with NYSED as the Contracting Agency) and Form ST-220-TD (with the DTF). These requirements must be met before a contract may

take effect. Further information can be found at the [New York State Department of Taxation and Finance's website](#). Forms are available through these links:

- [ST-220 TD](#)

Please note that although these forms are not required as part of the bid submissions, NYSED encourages bidders to include them with their bid submissions to expedite contract execution if the bidder is awarded the contract.

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

Each additional or superseding PERIOD shall be on the forms specified by the particular State agency and shall be incorporated into this AGREEMENT.

B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix for that PERIOD.

C. This AGREEMENT incorporates the face pages attached and all of the marked appendices identified on the face page hereof.

D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement (The attached Appendix X is the blank form to be used). Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, or change in the term, is subject to the approval of the Office of the State Comptroller. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.

G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.

D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

IV. Indemnification

A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules or regulations, or as stated in Appendix A1.

APPENDIX A
STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law, if this contract exceeds \$50,000 (or \$75,000 for State University of New York or City University of New York contracts for goods, services, construction and printing, and \$150,000 for State University Health Care Facilities) or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services, either for itself or its customer agencies by the Office of General Services Business Services Center, is required when such contracts exceed \$85,000. Comptroller's approval of contracts established as centralized contracts through the Office of General Services is required when such contracts exceed \$125,000, and when a purchase order or other procurement transaction issued under such centralized contract exceeds \$200,000.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, citizenship or immigration status, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April

28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years

thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this

contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "(a), (b) and (c)" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall

consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.
