Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Data presented in this report are based on data submitted by school districts to the SIRS for the 2010-11 school year. Students are reported based on their date of entry in grade 9 and their last enrollment status as reported in the SIRS on October 1, 2011

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

The federal Family Education Rights and Privacy Act (FERPA) prohibits the release of personally identifiable student information. This Act precludes the publication of summary information based on fewer than five students or in which subtraction or other simple mathematical operations could be used to obtain personal information. Cells that contain the ("#") symbol have been suppressed to protect student privacy.

Public School Total Cohort Graduation Rate - ARRA Reporting

To comply with federal reporting requirements, in January 2012, SED must publish graduation rate data for the 2006 graduation rate cohort as of August 2010 for students who were enrolled for a minimum of ONE DAY.

County/District Name School Name Student Group	Count of Cohort Members	Students who Graduated with Regents or Local Diplomas	
		Count	%
ROOSEVELT HIGH SCHOOL			
All Students	298	176	59.1%
