

Akron Smart Schools Investment Plan #2 - Devices

It is the intent of this Smart School Investment Plan (SSIP) to purchase devices for students, faculty, and staff. These devices are the beginning of a district wide (K-12) 1:1 initiative that will take four years to fully implement. This SSIP includes the devices, cases, licenses, carts, and extra power supplies for year #1. Quantities, cost, and funding source are listed below.
