1. Total Expenditures Per Child Line 3: Divide Line 1 by Line 2	14397

2. Administrative Expenditures per Child

To calculate 'Administrative Expenditures per Child' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2013-14 Schedule of Functional Expenses) and divide by the BEDS per pupil count. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officers, the treasurer, the finance or business offices, the purchasing unit, the employee personnel offices, the records management offices, or a public information and services offices. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation.

Please note the following:

Do not include the FTE of personnel dedicated to administration of the instructional programs.

Do not include Employee Benefit costs or expenditures in the above calculations.

A template for the Schedule of Functional Expenses is provided on page 21 of the 2012 Annual Report Guidelines to assist schools identify the categories of expenses needed to compute the two per pupil calculations. This template does not need to be completed or submitted on August 1st as it will be submitted November 1st as part of the audited financial statements. Therefore schools should use unaudited amounts for these per pupil calculations. (See the 2013-14 Annual Report Guidelines in "Resources" area of your portal task page).

October 28, 2014

To the Board of Directors
Riverton Street Charter School

We have audited the financial statements of Riverton Street Charter School (the "School") as of and for the year ended June 30, 2014 and have issued our report thereon dated October 28, 2014. Professional standards require that we provide you with the following information related to our audit.

Our Responsibility Under U.S. Generally Accepted Auditing Standards

As stated in our engagement letter dated March 27, 2014, our responsibility, as described by professional standards, is to express an opinion about whether the financial statements prepared by management with your oversight are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles. Our audit of the financial statements does not relieve you or management of your responsibilities. Our responsibility is to plan and perform the audit to obtain reasonable, but not absolute, assurance that the financial statements are free of material misstatement.

As part of our audit, we considered the internal control of Riverton Street Charter School. Such considerations were solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures specifically to identify such matters.

Our audit of Riverton Street Charter School's financial statements has also been conducted in accordance with *Government Auditing Standards*, issued by the Comptroller General of the United States. Under *Government Auditing Standards*, we are obligated to communicate certain matters that come to our attention related to our audit to those responsible for the governance of Riverton Street Charter School, including compliance with certain provisions of laws, regulations, contracts, grant agreements, certain instances of error or fraud, illegal acts applicable to government agencies, and significant deficiencies in internal control that we identify during our audit. Toward this end, we issued a separate letter dated October 28, 2014 regarding our consideration of Riverton Street Charter School internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements.

October 28, 2014

Planned Scope and Timing of the Audit

We performed the audit according to the planned scope and timing previously communicated to you in our letter about planning matters date June 1, 2014.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. In accordance with the terms of our engagement letter, we will advise management about the appropriateness of accounting policies and their application. The significant accounting policies used by Riverton Street Charter School are described in Note 2 to the financial statements.

No new accounting policies were adopted and the application of existing policies was not changed during fiscal year 2014.

We noted no transactions entered into by the School during the year for which there is a lack of authoritative guidance or consensus.

We noted no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

There were no significant balances, amounts, or disclosures in the financial statements based on sensitive management estimates.

The disclosures in the financial statements are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Disagreements with Management

For the purpose of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report.

We are pleased to report that no such disagreements arose during the course of our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

We did not detect any misstatements as a result of audit procedures.

Significant Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, business conditions affecting the School, and business plans and strategies that may affect the risks of material misstatement with management each year prior to retention as the School's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition of our retention.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 28, 2014.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the School's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

This information is intended solely for the use of the board of directors and management of Riverton Street Charter School and is not intended to be and should not be used by anyone other than these specified parties.

To the Board of Directors
Riverton Street Charter School

Report on the Financial Statements

We have audited the accompanying financial statements of Riverton Street Charter School (the "School"), which comprise the statement of financial position as of June 30, 2014 and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Riverton Street Charter School as of June 30, 2014 and the results of its operations and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors
Riverton Street Charter School

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Riverton Street Charter School's financial statements. The schedule of expenditures of federal awards, as identified in the table of contents, and supplemental schedule of functional expenses, as identified in the table of contents, are presented for the purpose of additional analysis and are not a required part of the financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

The supplemental schedule of functional expenses has not been subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 28, 2014 on our consideration of Riverton Street Charter School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Riverton Street Charter School's internal control over financial reporting and compliance.

RIVERTON STREET CHARTER SCHOOL

NOTES TO THE FINANCIAL STATEMENTS AS OF AND FOR THE YEAR ENDED JUNE 30, 2014

1. NATURE OF OPERATIONS

Riverton Street Charter School (the "School") is a public charter school as defined by Article 56 of the New York State Education Law which provides education based on rigorous teaching methods, parental involvement, student responsibility, and basic moral values. The School operates under a charter approved by the New York City Department of Education, which is responsible for oversight of the School's operations. The charter expires January 11, 2015 and is subject to renewal. Management believes the charter will be renewed in the ordinary course of business. The School provides education, at no cost to the parent, to students in kindergarten through the sixth grade. Enrollment is open to all appropriately aged children without regard to gender, ethnic background, disability, and/or religious affiliation. The School is exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3).

The School's primary source of revenue is provided by the State of New York and consists of an amount per student multiplied by weighted average student counts. The state revenue is recognized ratably over the school year and was funded through payments from July 2013 through May 2014 for the year ended June 30, 2014.

The Board of Trustees of the School has entered into a management agreement (the "agreement") with National Heritage Academies, Inc. (NHA) which requires NHA to provide administration, strategic planning and all labor, materials, equipment, and supervision necessary for the provision of educational services to students. As part of the consideration received under the agreement, NHA also provides the facility in which the School operates. The agreement will continue until termination or expiration of the charter, unless at least 90 days written notice of intent to terminate or renegotiate is given by either the School or NHA.

Under the terms of the agreement, NHA receives as remuneration for its services an amount equal to the total revenue received by the School from all revenue sources. These funds are property of the School and may be used by the School at the discretion of the board.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The financial statements have been prepared in accordance with Section 2851 of the Education Law of the State of New York which requires such statements to be prepared on the accrual basis of accounting in accordance with generally accepted accounting principles accepted in the United States of America for not-for-profit organizations.

Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements

and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash — Cash as of June 30, 2014 represents bank deposits which are covered by federal depository insurance.

Deferred Revenue — Deferred revenue as of June 30, 2014 consists of funds received for services which have not yet been performed.

Contracted Service Fee Payable — Contracted service fee payable represents a timing difference between funds received from governmental sources and amounts payable to NHA in accordance with the agreement.

Capital Assets — Capital assets, which include other equipment, are reported in at historical cost. Capital assets are defined by the School as assets with an initial individual cost of more than \$2,000 and an estimated useful life in excess of one year.

Other equipment is depreciated using the straight-line method over useful lives of 3–10 years.

The Financial Statements — The financial statements are presented as follows:

Net assets and changes therein are classified and reported as follows:

- *Unrestricted Net Assets* — Net assets which are not subject to donor imposed or governmental stipulations.

Revenues and contributions are reported as follows:

- Revenues, gains and other support are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed or governmental restrictions. Expenses are reported as decreases in unrestricted net assets. Other assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or governmental restriction. Expiration of temporary restrictions on net assets (i.e., the donor-stipulated purposes has been fulfilled and/or the stipulated time period has elapsed) are reported as reclassifications between the applicable classes of net assets.
- Revenue is recorded when earned, regardless of the timing of related cash flows. Grants are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Income Taxes — The School operates as a nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The School has received notification from the Internal Revenue Service (IRS) that they are considered exempt from Federal income tax under Section 501(c)(3) of the internal revenue code.

The School has evaluated its position regarding the accounting for uncertain income tax positions and does not believe that it has any material uncertain tax positions. The School recognizes the effect of income tax positions only if the positions are more likely than not of being sustained. Recognized income tax positions are recorded at the largest amount that is

greater than 50% likely of being realized upon settlement with a taxing authority that has full knowledge of all relevant information. The determination of whether or not a tax position has met the more-likely-than-not recognition threshold considers the facts, circumstances and other information available at the reporting date and is subject to management's judgment. Changes in the recognition or measurement are reflected in the period in which the change in judgment occurs. The School is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations prior to June 30, 2011.

3. RISK MANAGEMENT

The School is exposed to various risks of loss related to general liability. Commercial insurance policies to cover certain risks of loss have been obtained. There have been no significant reductions in insurance coverage during fiscal year 2014, and claims did not exceed coverage less retained risk deductible amounts in the past fiscal year.

4. CONTINGENCIES

The School has received proceeds from several federal and state grants. Periodic audits of these grants are required and certain costs may be questioned as not being appropriate expenditures under the grant agreements. Such audits could result in the refund of grant monies to the grantor agencies. Management believes that any required refunds will be immaterial. No provision has been made in the accompanying financial statements for the refund of grant monies.

5. CAPITAL ASSETS

Capital asset activity of the school was as follows:

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Disposals</u>	<u>Ending Balance</u>
Equipment	\$ 41,314	\$ 15,145	\$ -	\$ 56,459
Total capital assets at historical cost	41,314	15,145	-	56,459
Less accumulated depreciation — equipment	7,041	10,175	-	17,216
Total accumulated depreciation	7,041	10,175	-	17,216
Total capital asset activity, net	\$ 34,273	\$ 4,970	\$ -	\$ 39,243

6. OPERATING LEASE

The School has entered into a sublease agreement with NHA for a facility to house the School. The lease term is from July 1, 2010 through June 30, 2015. Annual rent under the agreement is 25% of the School's revenue, with an annual adjustment at year-end to 25% of actual revenue recognized for the fiscal year. Rental payments for the year ended June 30, 2014

totaled 2,288,290.

7. FUNCTIONAL EXPENSES

The School provides a comprehensive education programs to enrolled students. Expenses incurred for these programs and other expenses are as follows:

Program services:	
Regular education	\$ 6,728,194
Special education	340,796
Supporting services — management and general	<u>2,094,066</u>
Total contracted service fee	9,163,056
Depreciation Expense	<u>10,175</u>
Total expenses	<u><u>\$ 9,173,231</u></u>

8. SUBSEQUENT EVENTS

Events or transactions for the year ended June 30, 2014 have been evaluated through October 28, 2014, the date the financial statements were available to be issued. The financial statements and the notes thereto do not reflect events or transactions after this date.

Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

Independent Auditor's Report

To Management and the Board of Directors
Riverton Street Charter School

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Riverton Street Charter School (the "School"), which comprise the statement of financial position as of June 30, 2014 and the related statements of activities and change in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 28, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Riverton Street Charter School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the School's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To Management and the Board of Directors
Riverton Street Charter School

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Riverton Street Charter School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SUPPLEMENTAL INFORMATION

Report on Compliance for the Major Federal Program;
Report on Internal Control Over Compliance

Independent Auditor's Report

To the Board of Directors
Riverton Street Charter School

Report on Compliance for the Major Federal Program

We have audited Riverton Street Charter School's (the "School") compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that could have a direct and material effect on its major federal program for the year ended June 30, 2014. Riverton Street Charter School's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Riverton Street Charter School's major federal programs based on our audit of the types of compliance requirements referred to above.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Riverton Street Charter School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Riverton Street Charter School's compliance.

Opinion on the Major Federal Program

In our opinion, Riverton Street Charter School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2014.

To the Board of Directors
Riverton Street Charter School

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as Finding 2014-001. Our opinion on its major federal program is not modified with respect to these matters.

Riverton Street Charter School's response to the noncompliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs and/or corrective action plan. Riverton Street Charter School's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of Riverton Street Charter School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Riverton Street Charter School's internal control over compliance with the types of requirements that could have a direct and material effect on its major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for its major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies, and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as Finding 2014-001, that we consider to be a significant deficiency.

Riverton Street Charter School's response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs and/or corrective action plan. Riverton Street Charter School's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

To the Board of Directors
Riverton Street Charter School

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2014

Note 1 - Basis of Presentation and Significant Accounting Policies

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Riverton Street Charter School under programs of the federal government for the year ended June 30, 2014. Expenditures reported on the Schedule are reported on the same basis of accounting as the financial statements, although the basis for determining when federal awards are expended is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. In addition, expenditures reported on the Schedule are recognized following the cost principles contained in OMB Circular A-87, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

Because the Schedule presents only a selected portion of the operations of Riverton Street Charter School, it is not intended to and does not present the financial position, changes in net assets, or cash flows, if applicable, of Riverton Street Charter School. Pass-through entity identifying numbers are presented where available.

Note 2 - Grant Auditor Report

Management has utilized the Federal/State Grant Payments - End of Year Report as published by the New York State Education Department in preparing the schedule of expenditures of federal awards. Unreconciled differences, if any, have been disclosed to the auditor.

Section III - Federal Program Audit Findings

Reference Number	Finding
2014-001	<p>Program Name - CFDA #10.553, 10.555 - Child Nutrition Cluster</p> <p>Pass-through Entity - New York State Education Department</p> <p>Finding Type - Significant deficiency</p> <p>Criteria - The School is required to identify students eligible to receive free and reduced meals based on submitted student applications.</p> <p>Condition - The School did not correctly identify one student eligible for free and reduced meals out of the sample selected for testing.</p> <p>Questioned Costs - The extrapolated amount of questioned costs is insignificant based on the error rate of the sample, the difference in the reimbursement rate from free and reduced meals, and the total meals served for the year.</p> <p>Context - Out of the total of 25 students selected for eligibility testing, one determination of eligibility was found to be in error.</p> <p>Cause and Effect - The School incorrectly identified one student as eligible for free meals while their submitted student application indicated they were only eligible for reduced meals.</p> <p>Recommendation - The School should have proper controls in place to identify the proper eligibility status for all students.</p> <p>Views of Responsible Officials and Planned Corrective Actions - The School will use appropriate measures to improve its application review procedures in regard to eligibility for free and reduced meals. Compliance with eligibility requirements has always been a goal of the School.</p>

Appendix E: Disclosure of Financial Interest Form

Created Friday, August 01, 2014

Page 1

342900860974 RIVERTON STREET CS

An Appendix E: Disclosure of Financial Interest Form must be completed for each active Trustee who served on the charter school's Board of Trustees during the 2013-14 school year. Trustees are at times difficult to track down in the summer months. Trustees may complete and submit at their leisure (but before the deadline) their individual form at:

<http://fluidsurveys.com/surveys/vickie-smith/appendix-e-trustee-disclosure-form/>. Trustees may download and/or email their forms to you upon completion.

Trustees who are technologically advanced may complete the survey using their smartphones or other mobile devices by downloading the this bar code link to the survey <https://fluidsurveys.com/account/surveys/540612/publish/qrcode/>. (Make sure you have the bar code application reader on your phone).

If a Trustee is unable to complete the form by the deadline (i.e, out of the country), the school is responsible for submitting the information required on the form for that individual trustee.

Just send the links via email today to your Trustees requesting that they each complete their form as soon as possible.
Thank you.

Yes, each member of the school's Board of Trustees has received a link to the Disclosure of Financial Interest Form.

Riverton Street Charter School Enrollment and Retention Plan

Riverton Street Charter School understands the need to enroll and retain specific student populations in numbers comparable to the NYC, CSD #29 school district. With full enrollment and a waiting list, meeting the targets for students with disabilities (SWD), English language learners (ELL) and students who qualify for free and reduced price lunch (FRL) is a challenge. Currently, we are **exceeding the enrollment target for the FRL and SWD categories and the retention targets for the FRL, SWD, and ELL categories**. We are not yet meeting our ELL enrollment target. Below is a summary of our current enrollment and retention numbers compared to the targets.

2013-14*				
Subgroup	<i>Enrollment Effective Target¹</i>	Actual Enrollment	<i>Retention Effective Target²</i>	Actual Retention
FRL	84.7%	88.3% N = 541	81.5%	97.5% N = 528
ELL	10.5%	0.8% N = 5	49.4%	100% N = 5
SWD	12.2%	16.6% N = 102	73%	86.2% N = 88

ELL Recruitment Efforts

In order to make progress toward our ELL enrollment targets, we have implemented the following strategies (and will continue to do so in the coming school year):

- Advertisements and notifications were placed in the following publications: Haiti Observateur, Weekly Bangladesh and El Correo de Queens. In these publications, we specifically mentioned that the school provides services to students for whom English is their second language.
- Fliers were distributed in English, Arabic, Bengali, Haitian Creole, Urdu, and Spanish to families throughout the community including daycare centers, grocery stores, community centers, and churches inviting families to attend the Enrollment Information Meeting.
- Host an Enrollment Information Meeting for all parents interested in the school and provided student applications available in a number of languages: Arabic, Bengali, Chinese, English, Haitian Creole, Italian, Korean, Polish, Russian, Spanish, and Urdu. At the enrollment meetings, information regarding the ELL Program and its ability to meet the needs of ELL students was provided. We provided ELL families with strategies to help their children in school, specific English Language Development (ELD) strategies for such parents.
- To ensure the retention of accepted students, and in compliance with federal requirements to identify potential ELL students, these children completed a "Home Language Questionnaire", with information from the survey ensuring that each child for who English is a second language was provided the services he/she needed to succeed in school.

² Source: <http://www.p12.nysed.gov/psc/documents/PotentialRetentionTargetsCalculator.xls> Based on district data (CSD 29) for 501 students in grades K-6 using the Effective Target.

FRL and SWD Recruitment Efforts

Because we are exceeding our FRL and SWD enrollment targets, our recruitment efforts are focused mainly on attracting ELL students. However, we remain committed to recruiting students with special learning needs and with disabilities and students who qualify for free and reduced price lunch.

Brochures, which describe our special education programming, have been distributed throughout the community. In order to reach the families of special needs students, we utilize many of the networks that already exist in the community. Riverton's Strategic Marketing Coordinator will continue to build relationships with support organizations to gain familiarity with the services they provide (so that we might recommend their support services to the families of accepted or interested students) and to familiarize these organizations with our school and special education program (so that they may recommend our school to the families they serve). We know that most families hear about our school by word-of-mouth and we believe that a relationship with these organizations lays the groundwork for informal communications and referrals. In addition, we will continue to work with these organizations to distribute information about our school, our special education program, and our enrollment procedures.

All special needs students (FRL, ELL, and SWD) are made aware of our school's programs through open meetings during the year. The school's parent meetings clearly identify that we offer a free and appropriate education (FAPE) to all our students in the Least Restrictive Environment. Furthermore, the school has an established relationship with the Committee for Special Education (CSE) for children under its guise and has made materials and applications to Riverton available for distribution to interested parents. We invite parents to meet with the school's Special Education Team and the CSE to develop an Individual Education Plan (IEP) for the child or to work within the parameters of the plan already in place from the child's previous school.

We will continue to monitor the efficacy of our recruitment and enrollment efforts by carefully tracking student enrollment numbers. Through our robust data warehouse, we collect detailed information on trends in at-risk student populations, report to the Board on enrollment trends, and adjust the marketing strategy, as needed, to ensure that parents of these children know that Riverton is dedicated to serving their children's needs.

Retention Efforts – All Special Student Populations

We believe a key recruitment and retention strategy for our special needs students is the high-quality educational program that we provide and the intentional caring culture that we have established, as well as our parent involvement initiatives.

- *Culture and Climate:* We have a school climate and culture that focus purposefully on caring for each student as a family cares for its children. We believe our school-wide behavior and classroom management practices –which we refer to as *Behave with Care* – help attract and retain special needs students. Our Behave with Care program is built on research-based programs for reinforcing positive behaviors, setting clear expectations, and building teacher-student relationships and peer relationships.
- *Parent Involvement:* To ensure our families feel connected to the school, we implemented several parent involvement strategies, including, but not limited to:
 - Newsletters - Regular newsletters from the principal and teachers are distributed to parents. Important information regarding school-wide performance, initiatives, and programs are included in the newsletter.
 - Social media - We have an excellent website, which gives parents quick and easy access to general information on the school as well as specific information about their children. In

addition, we make cautious, appropriate use of Facebook and other social media sites to form connections between school leaders and parents. Parents without access to the internet can use the computer and internet available at the school.

- Classroom Communication - Teachers frequently send home communications for parents so that they know about everything from weekly schedules to educational goals for students. Teachers also share regular progress reports – via letter, online communication via the school’s AtSchool gradebook system, phone calls, and/or in-person meetings. These communications focus on each student's academic progress and performance.
- Conferences - Parent-teacher conferences are conducted twice each year. These conferences ensure that dedicated time is set aside for each parent to engage and interact with classroom teachers and discuss the progress of his or her child. As needed, staff may also conduct home visits. Each year, we conduct a family orientation at the end of the summer so new and enrolled families can meet the principal, their child's teacher and classmates, and other school staff. We believe these early contacts help establish and sustain a healthy rapport with parents.
- Parent Room - In order to help parents feel at home in the school and to encourage their presence in their child's education, the school building provides a dedicated parent room. This room gives parents a place to gather and build relationships with one another, discuss matters of mutual interest, grow more comfortable with the school, and take some ownership of the school.

Charter School Name: 342900860974 RIVERTON STREET CS

Note Definition of FTE:

Full-time equivalent employees equal the number of employees on full-time schedules plus the number of employees on part-time schedules converted to a full-time basis. The number of full-time equivalent employees in each industry is the product of the total number of employees and the ratio of average weekly hours per employee for all employees to average weekly hours per employee on full-time schedules. An industry's full-time equivalent employment will be less than the number of its employees on full- and part-time schedules, unless it has no part-time employees (U.S. Commerce--Bureau of Economic Analysis at: http://www.bea.gov/faq/index.cfm?faq_id=368#sthash.8Rbj89kq.dpuf)

How many UNCERTIFIED Full-Time Equivalent Teachers were employed in the charter school as of last day of school in 2013-14?

For each applicable category (i-iv), input the relevant full time equivalent (FTE) count of teachers.

	FTE
(i) uncertified teachers with at least three years of elementary, middle or secondary classroom teaching experience	0
(ii) tenured or tenure track college faculty	0
(iii) individuals with two years satisfactory experience through Teach for America	0
(iv) individuals who possess exceptional business, professional, artistic, athletic, or military experience	1
