1	Change District or CSD of Location	<p>The Rochester Academy of Charter School is located in two separate buildings. Middle school building, which has been occupied since the school was founded, is located at 841 Genesee Street. High school students continued their education at the second building which is located at 901 Portland Avenue. Rochester Academy needs to move into a new high school building for multiple reasons. The landlord repeatedly informed us that he will not extend the contract after it ends in July 2016.</p> <p>We have been looking for an available building in the Rochester City School District area for long time. However, no building has become available to rent. Thus, some of the charter schools started using buildings on other districts. Currently, a building became available to rent in Greece. The building is located at 5000 Mt Read Blvd. Rochester, NY 14612.</p>	7/24/2015

Charter School Name:

B. Financial Information

This information is required of ALL charter schools. Provide the following measures of fiscal performance of the charter school in Appendix B (Total Expenditures and Administrative Expenditures Per Child):

1. Total Expenditures Per Child

To calculate '**Total Expenditures per Child**' take total expenditures (from the unaudited 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. (Integers Only. No dollar signs or commas).

Line 1: Total Expenditures	4231523
Line 2: Year End Per Pupil Count	348
Line 3: Divide Line 1 by Line 2	12160

2. Administrative Expenditures per Child

To calculate '**Administrative Expenditures per Child**' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the unaudited 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. The relevant portion that must be included in this calculation is defined as follows:

Administrative Expenditures: Administration and management of the charter school includes the activities and personnel of the offices of the chief school officers, the treasurer, the finance or business offices, the purchasing unit, the employee personnel offices, the records management offices, or a public information and services offices. It also includes those administrative and management services provided by other organizations or corporations on behalf of the charter school for which the charter school pays a fee or other compensation.

Please note the following:

- Do not include the FTE of personnel dedicated to administration of the instructional programs.
- Do not include Employee Benefit costs or expenditures in the above calculations.
- A template for the Schedule of Functional Expenses is provided on page 20 of the 2014-15 Annual Report Guidelines to assist schools identify the categories of expenses needed to compute the two per pupil calculations. This template does not need to be completed or submitted on August 1st as it will be submitted November 1st as part of the audited financial statements. Therefore schools should use unaudited amounts for these per pupil calculations. (See the 2014-15 Annual Report Guidelines in "Resources" area of your portal task page).

To calculate '**Administrative Expenditures per Child**' take the relevant portion from the 'personnel services cost' row and the 'management and general' column (from the 2014-15 Schedule of Functional Expenses) and divide by the year end per pupil count. (Integers Only. No dollar signs or commas).

Line 1: Relevant Personnel Services Cost (Row)	760936
Line 2: Management and General Cost (Column)	873374
Line 3: Sum of Line 1 and Line 2	1634310
Line 4: Year End Per Pupil Count	348
Line 5: Divide Line 3 by the Year End Per Pupil Count	4696

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Rochester Academy Charter School
Rochester, New York

We have audited the accompanying financial statements of Rochester Academy Charter School (a nonprofit organization), which comprise the balance sheets as of June 30, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, the related statement of functional expenses for the year ended June 30, 2015, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Rochester Academy Charter School as of June 30, 2015 and 2014, its cash flows and changes in net assets for the years then ended, and functional expenses for the year ended June 30, 2015 in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

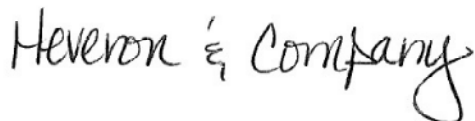

We have previously audited the Rochester Academy Charter School's statement of functional expenses for the year ended June 30, 2014, and we expressed an unmodified audit opinion on that audited financial statement in our report dated October 17, 2014. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2014 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of middle school and high school activities on page 16 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from, and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated October 16, 2015 on our consideration of Rochester Academy Charter School's internal control over financial reporting, and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Rochester Academy Charter School's internal control over financial reporting and compliance.

ROCHESTER ACADEMY CHARTER SCHOOL
NOTES TO FINANCIAL STATEMENTS
June 30, 2015

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Rochester Academy Charter School (the School) is a not-for-profit organization that meets a need for a college preparatory school for low achieving students with special emphasis on math and science education in Rochester, New York. The School promotes a safe, caring, and student-centered classroom environment for grades 7-12.

The main program of the School is as follows:

REGULAR EDUCATION: The School curriculum is focused on mathematics and sciences. The School also integrates multi-cultural themes into the curriculum not only through geography and foreign languages, but through each subject area. All courses align with the New York State Learning Standards.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Basis of Presentation

In accordance with accounting principles generally accepted in the United States of America, the School reports information regarding its financial position and activities according to the existence and nature of donor restrictions in three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. There were no temporarily or permanently restricted net assets at June 30, 2015 and 2014.

The School also records contributions received as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and nature of any donor restrictions.

Accounting principles generally accepted in the United States of America allow the School to treat as unrestricted, any restricted revenue where the restrictions are met in the same year. The School has elected to follow that reporting method. As a result, all activities in which restrictions are met are recorded in the Unrestricted Net Asset class.

**NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING
POLICIES (Continued)**

The following are descriptions of the School's net asset classifications:

Unrestricted:

Undesignated net assets include resources that are available for the general support of the School's operations.

Board Designated net assets include resources set aside by the board for the purchase of a building.

Revenue Recognition

A portion of the School's revenue is derived from grants. Amounts received, but not yet earned are reported as deferred revenue.

Funding sources may, at their discretion, amend the grant and contract amounts. In addition, reimbursement for expenses or return of funds, or both, may be requested as a result of noncompliance by the School with the terms of the grants and contracts. The School records such amendments, reimbursements, and returns of funds as an adjustment to revenue in the year of the amendment.

Accounts and Grants Receivable

Receivables are stated at the amount management expects to collect. Amounts that management believes to be uncollectible after collection efforts have been completed, are written off. In addition, management evaluates the need for, and if appropriate, provides an allowance to reduce receivables to amounts management expects will be collected. Management determined that no allowances were necessary at June 30, 2015 and 2014.

Property and Equipment

Property and equipment are stated at cost. The School capitalizes property and equipment with a cost of over \$2,000 and an estimated life of 3 years or more. Depreciation is computed using the straight-line method based on the estimated useful lives of the assets, as follows:

	<u>Years</u>
Furniture and Fixtures	5-7
Computers & Software	3-5
Equipment	5-10

Depreciation expense amounted to \$77,968 and \$92,797 for the years ended June 30, 2015 and 2014, respectively.

POLICIES (Continued)**

Income Taxes

The Internal Revenue Service has determined that the School is qualified as a charity exempt under Section 501(c)(3) of the Internal Revenue Code, and has also determined that the School is publicly supported. As a result, no provision for federal or state income taxes has been made.

Cash and Cash Equivalents

Cash and cash equivalents include all cash on hand and in banks, which, at times, may exceed federally insured limits. The School considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Certain of these accounts are not federally insured. The School has not experienced any losses in these accounts and does not believe it is exposed to any significant credit risk with respect to cash and cash equivalents.

Cash and cash equivalents consisted of the following at June 30:

	<u>2015</u>	<u>2014</u>
Checking	\$ 550,719	\$ 967,641
Savings	100,290	100,238
Money Market	<u>574,731</u>	<u>246,024</u>
Total	<u>\$1,225,740</u>	<u>\$1,313,903</u>

Use of Estimates in the Preparation of Financial Statements

Accounting principles generally accepted in the United States of America, require management to make estimates and assumptions that affect the amounts of assets and liabilities, revenues and expenses, and the disclosure of contingent assets and liabilities. Actual results could vary from those estimates.

Functional Expenses

The costs of providing the various program services have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among program and supporting services. An immaterial amount of fundraising costs for the years ended June 30, 2015 and 2014, are included in management and general expenses.

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Marketing

Marketing costs are expensed as incurred.

Deferred Revenue

Deferred revenue consists of amounts received prior to when they are earned. The related revenue is recognized when services are performed.

Comparative Financial Information

The financial statements include certain prior year summarized comparative information in total. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the School's financial statements for the year ended June 30, 2014, from which the summarized information was derived.

Reclassifications

Certain account balances as of June 30, 2014 have been reclassified to conform with the presentation as of June 30, 2015.

Inventories

Inventories consist of school store items and are recorded at cost.

NOTE 2 - PENSION EXPENSE

The School participates in the New York State Teachers' Retirement System (System), a cost-sharing, multiple-employer, defined benefit pension plan administered by the New York State Teachers' Retirement Board. The System provides retirement, disability, withdrawal, and death benefits to plan members and beneficiaries as authorized by the Education Law and the Retirement and Social Security Law of the State of New York.

Plan members who joined the System before July 27, 1976 are not required to make contributions. Those joining after that date and before January 1, 2010 who have less than ten years of service or membership, are required to contribute 3% of their annual salary. Those joining on or after January 1, 2010 and before April 1, 2012, are required to contribute 3.5% of their annual salary for their entire working career. Those joining on or after April 1, 2012 are required to contribute between 3% and 6%, dependent upon their salary, for their entire working career.

(Continued)

NOTE 2 - PENSION EXPENSE (Continued)

Employers are required to contribute at an actuarially determined rate. Rates applicable to the fiscal years ended June 30, 2015 and 2014 were respectively, 17.53% and 16.25%. The total retirement contribution expense was \$331,959 and \$251,946 for the years ended June 30, 2015 and 2014, respectively.

NOTE 3 - COMMITMENTS

The School is obligated under non-cancelable operating leases for two buildings. The School is responsible for payment of utilities, maintenance, and any real property taxes if they are assessed under the terms of the lease. One lease is a two year term through July 31, 2016, and contains a provision to renew for one additional two year term under the same conditions and terms.

The second lease for the School is a two year term through June 30, 2016. This lease was extended for an additional two years through June 30, 2018. This lease includes a provision that the School is responsible for all taxes and city service charges, if they are assessed for the facilities. In addition, it includes a clause that the landlord is responsible for 100% of the utilities for the gymnasium during the months of July and August, and 30% for the other months.

Total building rental expense for the years ended June 30, 2015 and 2014 totaled \$413,910 and \$358,133, respectively.

The School is also obligated under non-cancelable operating leases for two copiers. Both leases require monthly payments with annual overage charges. The first lease is a 60 month term through March, 2019. The second lease is a 47 month term through February, 2019.

Total copier rental expense for the years ended June 30, 2015 and 2014 totaled \$15,583 and \$14,682, respectively.

Future minimum lease payment commitments are as follows:

<u>Year</u>	<u>Amount</u>
2016	\$ 430,900
2017	\$ 229,563
2018	\$ 214,895
2019	\$ 7,228

NOTE 4 - SPECIAL EDUCATION AND OTHER SUPPORT

Special education services required by students of the School are provided by the Rochester City School District. The Rochester City School District also provided transportation and food services. The School was unable to determine a value for these services, thus, these financial statements do not reflect revenue or expenses associated with those services.

The School receives State Aid in the form of textbooks, computer hardware, computer software, and library materials through the Rochester City School District. The total aid received for the years ended June 30, 2015 and 2014 was \$36,616 and \$6,619, respectively.

NOTE 5 - DONATED SERVICES AND GOODS

The School receives donated services that, although substantial, do not meet the criteria for recording as revenue and expense under accounting principles generally accepted in the United States of America. During the years ended June 30, 2015 and 2014, 7 active volunteers provided approximately 430 hours of service. These services consisted primarily of board meetings.

NOTE 6 - SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 16, 2015, which is the date the statements were available for issuance.

SUPPLEMENTARY INFORMATION

For the Year Ended June 30, 2015

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Independent Auditors' Report

To the Board of Trustees
Rochester Academy Charter School

We have audited in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Rochester Academy Charter School as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise Rochester Academy Charter School's basic financial statements, and have issued our report thereon dated October 16, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Rochester Academy Charter School's internal control over financial reporting (internal control), to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Rochester Academy Charter School's internal control. Accordingly, we do not express an opinion on the effectiveness of Rochester Academy Charter School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

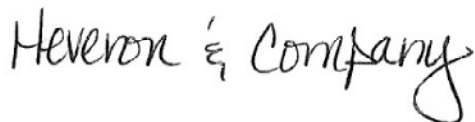

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Rochester Academy Charter School's financial statements are free of material misstatements, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Director's Monthly Report

Enrollment is around 360-currently going up and down a little. New ELA and Math results-7th and 8th grade scores are lower than expected. Because they were just released yesterday, details will be discussed in depth at the next board meeting.

Our goal for enrollment at this point is about 370 or 380, given that there will be some attrition throughout the coming year.

Professional Development (teacher institute) will be conducted last week before classes.

We will begin the process of using an additional/new building in Greece.

Y. Bilgic made a motion to approve that the board begin the process of adding an additional building.

M. Guler seconded the motion.

Approve Minutes

M. Guler made a motion to approve minutes from the Board Meeting on 08-15-14.

Y. Bilgic seconded the motion.

The board **VOTED** unanimously to approve the motion.

II. Academic Excellence

Director's Monthly Report

Enrollments are increasing, we have admitted more 9th graders-but even with attrition, we should still have 60 12th graders when they finish as projected in the charter.

Our offer on the Greece building wasn't successful. We are in negotiations with Kodak to acquire some property on Lake Street.

NYS ELA and Math results presentation

7th and 8th grade ELA and Math scores are down- there are a variety of possible reasons, but we must take this seriously.

Our 7th graders performed below RCSD students, our 8th graders were better than the RCSD. Both grades performed less well than the state average.

Based on students' individual performance, they are improving, so we are still considered an effective school, but we do need to have higher overall scores.

We need to target these students for intensive improvement.

Academic Excellence committee will lead the effort.

Administration has met with all 7th and 8th grade English and Math teachers to set the performance goals for the coming year.

testing will be prepared and conducted with two other charter schools.

RACS regents' results were good overall, although scores dropped in three areas. Regents' scores outperformed RCSD in all but one area. Four year cohort results outperformed RCSD and State in all areas.

RACS graduation rate outperformed state and RCSD results.

after we have analyzed the results of the tests we will devise an action plan to improve our test scores.

The board **VOTED** unanimously to approve the motion.

Monthly Financial Report

Actual revenue exceeded budget, actual expenses were less than budget.

Balance of almost 2 million.

Surplus balance in part due to planned expense that have not yet been expended.

Overall financial status is good.

There continue to be some issues with the Portland building. Documented attempts to contact them have not been successful.

Executive session.

New accounting program has been put into use.

III. Academic Excellence

Academic Excellence Committee Report

The school will implement an individual student evaluation system to assess student progress over a four to five week period.

Faculty and administration will be trained in the star math and reading program.

The focus for academic excellence should be on student progress rather than test scores.

M. Demirtas made a motion to Approve AE recommendations.

M. Guler seconded the motion.

The board **VOTED** unanimously to approve the motion.

Director's Monthly Report

Enrollment has dropped by two, but we are still able to make our enrollement goal.

Some modifications made to our attendance policy.

Plan outlined has various calls before a stronger measure is taken- if the students' parents haven't been contacted after three calls there will be a home visit.

Mehmet will revise policy and present at next board meeting.

Mehmet presented a plan for developing a marketing strategy from Rochester business alliance. Mehmet will get references.

Our grad rate is 92% state is 76%.

Monthly Financial Report

Operations are lower than budgeted.

We may have some extra expenses at the end of the year.

We should have almost \$600K at the end of the year.

We have received about 2 million based on an enrollment of 320 students.

We will be paying about \$9k Monroe county tax for the high school building.

We have been trying to negotiate with the city to acquire a plot at the Kodak parking lot to build a new building but the city has not been responding to our inquiries.

Several city schools are being closed, we might be able to acquire one.

III. Academic Excellence

Academic Excellence Committee Report

We lost two students from 10th grade, but another came back and reenrolled, so our current enrollement is 350.

Attendance policy was updated as per our discussion at last meeting.

Marketing program has been initiated.

STAR test have been administered-average scores have improved since August for both 7th and 8th graders, but they are still below our target.

Number of tutors has been increased, and Admin will be meeting with faculty to discuss individual students.

Finance Committee Report

Monthly Financial Report

Revenues are on track, expenses are under budget.

Our spending is less than our budget.

Next meeting Demir will tell us where the spending has been under budget and will provide reasons for the surplus. He will also provide budget revision work if needed.

Insurance was less than anticipated.

School Internal Phone System

There have been problems with our internal phone system; we have bids in from three companies.

There is no voice mail, no local service (tech support), both buildings have different system.

New service will cover both buildings, there will be voice mail, can be externally administered, calls can be routed to either location, calls can be recorded and sent to email.

Three vendors: Northland, Carousel Industries, and Avaya.

Northland was the best quote in terms of price, local tech service, and completeness of service . They also will move the equipment and service to a new building if needed.

M. Guler made a motion to accept the bid from Northland and go ahead with the conversion.

G. Aktas seconded the motion.

The board **VOTED** unanimously to approve the motion. Motion made on the part of the finance committee.

Monthly Fiber Internet Service

We need to upgrade our internet service-plan to convert to fiber-both buildings will be served by the single service.

We received four quotes and 3 options.

A variety of quotes were from services that didn't have their own networks, some are very expensive. Fibertech

Networks had the best quote in terms of price, service provided, and having local tech support.

M. Guler made a motion to accept the bid from Fibertech Networks.

G. Aktas seconded the motion.

The board **VOTED** unanimously to approve the motion.

Networking parts-cabling-installation

We will need a new network system within the building-we have been using routers for the wifi and they have a tendency to get overloaded.

We will have one access point per classroom which can serve up to 30 connections.

Only two bids from companies that applied for E-rate.

Finger Lakes Technologies Group gave the best quote based on services provided, cost, and local tech support.

M. Guler made a motion to accept the bid from Finger Lakes Technologies Group.

G. Aktas seconded the motion.

The board **VOTED** unanimously to approve the motion.

New copy machine lease

The copy machine in the Portland building does not have the necessary capacity and is breaking down on a regular basis and the outages are causing problems-recommend that we lease a second machine.

M. Guler made a motion to approve the lease of a backup copier.

G. Aktas seconded the motion.

The board **VOTED** unanimously to approve the motion.

Budget Revision for Internal Phone System

We will need to move \$40,000 from payroll to IT Supplies for the new internal phone system.

M. Guler made a motion to move \$40,000 from Payroll to IT Supplies.

G. Aktas seconded the motion.

The board **VOTED** unanimously to approve the motion.

Demir will provide details on the budget and why we have extra funds in payroll at the next meeting.

III. Academic Excellence

Academic Excellence Committee Report

Academic Excellence committee did not meet this month, so no report.

Director's Monthly Report

Two students fewer-Five students unenrolled and two enrolled.

Research agreement between Dr. Christian Wilkens and RACS-research on student success in charter schools.

Many charter schools are participating.

We will consider the partnership.

Meeting with Mayor Lovely Warren about a new building-students went as well.

There are a number of possible buildings but still no solid leads.

We have been working with a marketing company and have a new brochure.

mailed out 10K brochures twice.

Website has been updated and we will be tracking visits to the website.

We need to change some of the wording on the web page about charter schools being "like" public schools.

Charter Schools ARE public schools.

School Introduction Video: introduction to RACS for parents.

program of studies has been updated.

Program of studies will go next to the academic excellence committee.

Two of our students were awarded the Princeton Prize for minimizing race problems in Rochester.

STEP Updates

STEP program- arrangement between RACS and MCC Funded by NYS-there is a New York part and a Federal part-STEP has been around for 28 years and it has been at MCC for 27 years.

We need a new memorandum of understanding with MCC.

Joann has provided the new agreement-the application is due in four weeks.

Everything is already in place from the previous agreement.

Y. Bilgic made a motion to sign memorandum of understanding with MCC and the STEP program.

W. Middleton seconded the motion.

The board **VOTED** unanimously to approve the motion.

IV. Governance

Governance Committee Report

Training for new board members-Gungor working on a training plan that will become a new board member's handbook and all board members will review the book once per year.

Each board member should attend meetings for another committee once or twice a year so they know what is going on.

Fundraising-Gungor reached out to Nancy Sarles about fundraising, hasn't heard anything back from her.

We have a goal of raising 2 million dollars for a new building.

Gungor will continue to attempt to reach her.

Succession Plans-each committee will come up with names of possible candidates for junior board members-all committees need to get their names in by next Board Meeting.

Board Retreat will be held in August for one two to days-agenda will include training on Board On Track.

Board Meeting Effectiveness-we need to assess meetings and communication on meetings.

V. Other Business

Staffing

We hired a part time IT person and a new science teacher and dismissed one teacher.

Student Enrollment and Retention Targets Plan

RACS will continue to use its current practices in order to retain its free and reduced lunch eligible students and to improve its LEP and SWD student enrollment rate. RACS has implemented multi-channel marketing approach for student recruitment during the terms of its charter.

- Visit feeder schools and meet with guidance counselors
- Create a website that provides information in multiple languages
- Conduct family events
- Attend community events
- Advertise in local publications that focus on our target population
- Mail flyers and brochures
- Meet local advocates and politicians
- Provide school tour opportunities
- Advertisement via social media

We have increased our ELL and SWD student body over the last three years by preparing flyers and lawn-signs in Spanish. Another strategy has been to approach community and faith-based organizations and recent immigrant support services. We hired bilingual staff to better serve our ELL students and offered extended hours of instruction.

In order to increase our numbers even further, the school will reach out to the significant refugee populations and disseminate informational materials regarding the school in different languages. This information will be available at the school, delivered through targeted mailings, and distributed by hand in refugee housing locations and community centers. In addition, the school is in the process of having its web application form in other languages. Through parents, we disseminated applications directly to the refugee population. We believe that having staff members from different minority groups will increase our ELL student body in the near future. RACS realizes the fact that it is a challenge to meet and exceed its local district in terms of the number of students who need special education services. In our flyers and informational meetings and show cases, special education services will be emphasized even further to attract students with disabilities.

In order to retain its students from these populations, the most important factors, which are mainly provided by RACS, are to create a safe and supportive environment for the students to be included in the general school body, and to provide necessary services needed to increase students' academic performance. As a new strategy to gauge our success in these terms and in retaining these students, we will color code our parent surveys in order to assess the parental satisfaction from each of these three populations in addition to measuring general satisfaction regarding school's academic programs, safety, and teachers. This strategy may expose any areas of problem in specific population, which might be lost otherwise in the overall satisfaction data.
