VR 14 - Parentally Placed Students with Disabilities in Nonpublic Schools Located in the School District Who Were Evaluated During the 2009-10 School Year for Initial Determination of Special Education Eligibility and Services for those Found to be Eligible

(Based on Referrals Received Between July 1, 2009 and June 30, 2010, and Status of the IEP Implementation as of August 31, 2010.)

This report is your school district's report of the numbers of parentally placed students in nonpublic schools located in your school district who received initial evaluations for special education eligibility determinations and the numbers who were found to be eligible and whose IEPs were implemented. The data elements that are displayed in this report are from the Special Education Events template for one chain that begins with event type code CSENP01 (receipt of initial referral to the CSE of a parentally placed student in a nonpublic school). The following templates (or tables) are also used: Student_Lite (Student Demographics); and School_Enroll (Enrollment). Students with the following records are **included** in this report:

Enrollment Records:
- Enrollment record between July 1, 2009 and June 30, 2010 with reason for beginning enrollment code 5905 ; **and**
- Building of Enrollment code is a valid code in SEDREF; **and**.

Any of the following special education event records are submitted:

CSENP01- receipt of initial referral of a parentally placed school-age student in a nonpublic school

CSENP02 - receipt of written parent consent to evaluate the student

CSENP03 - CSE meeting to discuss evaluation results

CSENP04 - IEP or IESP or SP implementation

This report includes a listing of students who are **included** in the report, which are those students that meet the above criteria and a listing of students who are **excluded** from the report, which are those students that meet some of the above criteria but not all (including students with some missing records). School districts should use these lists to verify the accuracy of data submitted for each student. The reports with aggregate numbers provide the results the State will use in all Statewide and district level aggregations for reporting and analysis.

Below is a description of the criteria for including student records in each cell of the four rows of data in this report.
