Verification Report 2 School Age Child Count by Age and Disability (Students Receiving Special Education Services on October 3, 2012)

To view the description of the report including SIRS codes please click here.

Directions: Please review the data below to verify each student's disability and age as of October 3, 2012 for all school age students with disabilities (aged 4-21) for whom your district has CSE responsibility and who were receiving special education services on the snapshot date. The links below the numbers in each cell provide a list of students that meet the criteria to be included in the report. Also, please review your school district's report of students excluded from this report. **If corrections are needed to this report, please resubmit your district files with the necessary corrections to the Regional Information Center (or the data warehouse for large cities) before the certification due date.**
