

# Smart Schools Investment Plan

## Purpose

Align technology experiences to support seamless Middle School transition by:

- \*Providing student access to and experience on-line learning platforms
- \*Ensuring device consistency
- \*Maximize staff PD time and efficiency of sharing resources

## Smart Schools Allocations

■ SSIP #1 Chromebooks (4.10%) ■ SSIP #2 Wireless Upgrade (3.75%)  
■ Total SSBA Amount (92.15%)

## SSIP Timeline

- \*Preliminary SSIP approval from the Board of Education at the July 14th meeting
- \*Accepting feedback on the SSIP (see information below)
- \*Meeting to revise feedback and make changes to the SSIP based on the received feedback
- \*Final BOE approval of the SSIP during the August 18th BOE meeting
- \*Submit SSIP to NYS Department of Education
- \*Fall of 2016, pending approval, purchase items identified in the SSIP

## Feedback

We want to hear from you!!!! Feedback will be accepted until July 28th. After the 2 weeks we will revise the SSIP based on the feedback and then request final approval from the Ripley BOE during the August 18th BOE meeting.
