

# Verification Report 16 Students Receiving Coordinated Early Intervening Services (CEIS) or Comprehensive Coordinated Early Intervening Services (CCEIS)

## About this Report

This is your school district's report of students who received Coordinated Early Intervening Services (CEIS) or Comprehensive Coordinated Early Intervening Services (CCEIS) anytime during the current school year or the prior two school years.

CEIS is voluntary and is funded by a district redirecting up to 15 percent of their federal IDEA allocation. CEIS is provided to students without disabilities only.

CCEIS is mandatory for districts identified as having significant disproportionality and is funded by a district redirecting exactly 15% of their federal IDEA allotment. CCEIS is provided to students with and without disabilities.

Additional information on CEIS/CCEIS can be found at:

<https://www.p12.nysed.gov/sedcar/forms/vr/2223/html/verif16list.htm>.

Students who meet the following criteria are included in this report:

- Enrollment record with reason for beginning enrollment code 0011, 5544, 5654, 5905, 7000, or 7011

  - Code 5753 (CEIS)
  - OR**
  - Code 5754 (CCEIS)

### Notes:

- A student may be reported with both a 5753 (CEIS) program service code and a disability program service code in the same school year, but the two codes cannot have overlapping dates (be reported during the same time period).
- The disability program service codes are 0352, 0363, 0385, 0396, 0407, 0418, 0429, 0440, 0451, 0462, 0473, 0484, or 0495.
- The 5753 program service code must be reported either before the beginning date of the disability program service code or after the ending date of the disability program service code:
  - If reported before the beginning date, the 5753 must be ended prior the start of the disability program service code.
  - If reported after the ending date, the 5753 beginning date cannot be before the ending date of the disability program service code.
- The 5754 (CCEIS) program service code is allowed to have overlapping dates.
- A student may be reported with a 5753 or a 5754 program service code by a district other than the district in which the student is currently enrolled if the student received CEIS or CCEIS in the other district. These students will appear in the VR16 of the district in which they are currently enrolled, even if the current district did not report the 5753 or 5754 program service code.
